

Our Newcastle - Our World

Our international city plan and partnership

Our vision

We are a welcoming, friendly city to visit, live and work in

We are outward looking and encourage international collaboration

We value difference and embrace diversity across all our communities

We create international opportunities and nurture skills, talent and growth

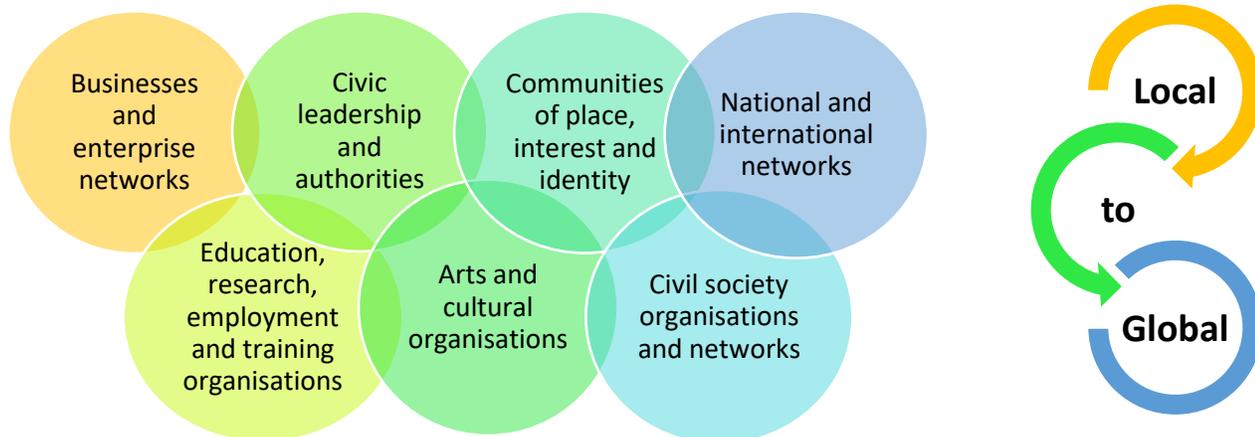

We share our expertise and strengths internationally and learn from others

We engage locally and globally to address urban challenges and reduce inequalities

We are committed to achieving the global 2030 Sustainable Development Goals (SDGs)

We will address the Climate Emergency across all our activities

Our partnership here and around the world

Our principles

Equity, equality and inclusion

Everyone has a voice and a role to play

Social connectivity

People are engaged and feel ownership

Nurturing curiosity

Encouraging exploration, questions, ideas

Generosity in collaboration

Sharing knowledge, links, resources, capacity

Added value and impact

What we do together makes a difference

Sustainability

Addressing Climate Emergency in our actions

Our international theme 2019-20

An international city for our children and young people as confident, global citizens

Increasing inclusion Reducing inequalities Valuing diversity Having a strong voice
 Accessing opportunities Making global connections Making a difference locally and globally
 Being active citizens Improving learning and skills Achieving aspirations Addressing SDGs

Our actions 2019-20

May-June 2019
Mobilisation

Agree governance, outline city plan and initial theme for the international partnership
 Develop communications plan and tools to support partnership working

June-October 2019
Stakeholder Engagement

Identify and support connectors to engage stakeholders in planning around the theme
 Recruit to the city's international partnership and share information and tools

September-October 2019
Insight Phase

Review and reflect on findings, insights and recommendations on the theme
 Identify challenges and solutions to address these, as well as new opportunities
 Broker links to advice, support and potential connections, locally and globally

November-December 2019
Define Phase

Hold 'Big Conversation' city wide event to share ideas, explore actions, build consensus
 Agree next stage of development, work programme, resources and communications

January-February 2020
Deliver Phase (1)

Promote tools to support internationalism across the city and international connections
 Activate partnerships and partners to support a joined up approach to internationalism

March-July 2020
Delivery (2) & Review Phase

Hold 'Big Conversation' city-wide to review progress and develop next stage of activity
 Share learning, good practice and evidence locally, regionally, nationally and globally

Our activities will contribute to the 2030 Sustainable Development Goals
